

LEAVES - PICK UP NOTICE!

Town of Friendship residents please be advised that our Town Highway Dept. will be picking up leaves starting(Wed.) October 19, 2022 and the last and final pickup will be (Monday)November 7, 2022. It is imperative that the leaves are raked and piled from the sidewalk to the curb. Do **NOT** rake the leaves into the street, as this is not only dangerous but the leaves can get into the storm drains and plug them up. Please be sure that no branches, brush, rocks nor other debris are in the leaf piles as they may cause damage to the leaf picker. Any questions, please feel free to call the Friendship Town Hall (585-973-7580).
